Sir,

En 8V2
Subject - Amend ment of the bye-law re Dangerous and
offensive trades so as to bring the manufacture
of matches or crackers or pyrotechnic goods
and manufacturing or storing crackers etc ,
under its perview

At present there is no provision in the Mysore city -
Municipal Rules and Bye-laws for bringing the manufacturing of
matches etc , under the control of the Municipality The question
of bringing this under the purview of the bye-laws relating to
dangerous and offensive trades was under the consideration of the
Council for some time past It was found difficult to prevent
the establishment in the heart of the city of places where the
explosives were handled and the existence of which was both
dangerous and offensive to the residents nearby

A proposal to add to the existing list of Dangerous and
Offensive trades, contained in Chapter XXIV of the Mysore city
Municipal Rules and byelaws " the manufacturing of matches or
crackers or pyrotechnic goods and manufacturing or storing for
sale crackers etc ," as item No 15 was therefore approved by the
Council at their meeting held on 10-12-52 objections having been
called for, no objections were received from any quarter within
the stipulated time

The amendment proposed was therefore finally approved by the
Council at the meeting held on 4-5-54

I enclose a copy of the resolution ~~xxx~~ as also Gazette
copies of the notifications published in this behalf and request
